I need God's help

This week we read Matthew 5:1-3; Luke 18:13-14. We can come to God as we are and ask for his help.

Open the Bible. Read Matthew 5:1-3; Luke 18:13-14 together. Ask, “What did the tax collector ask God to give him?” Talk about the answer together. If you need a clue, read that part again.

Try it at home. Open your palms together. Ask, “When do you like someone to offer you a hand?” Either of you can finish, “God, today I could use help with…”

Around the table. If someone thought they had to impress God before they could pray, what would you tell them?

A prayer for our family. Father, you welcome us when we need you. Please help us come to you honestly. Amen.

Remember together. Matthew 5:3
