The Bible helps us know God

Timothy had learned Scripture since childhood. Paul told him that these writings could help him trust Jesus and learn to live God's way.

Open the Bible. Read 2 Timothy 3:14-17 together. Ask, "When did Timothy start learning the Scriptures?" Talk about the answer together. If you need a clue, read that part again.

Try it at home. Open a Bible together. Let your child tell you where to find Mark 1:17, even if you do the page turning. Read it and ask what Jesus invited the fishermen to do.

Around the table. When you come to a word neither of you knows, say, "Let's find out together." Ask your child what they would like to learn about Jesus next.

A prayer for our family. God, help us understand your Word and know Jesus more.

Remember together. Psalm 119:105
