Shine your light

This week we read Matthew 5:13-16. When Jesus' followers do good, people can see something of their Father's goodness and praise him.

Open the Bible. Read Matthew 5:14–16 together. Ask, "Why put a lamp on a stand? Who does Jesus want people to praise when they see a kindness?"

Try it at home. Open the lamp card if it came home. Ask, "Who could use a little help at home today? What could we do for them?" Try one idea. Thank your Father in heaven for someone whose kindness has helped your family.

Around the table. Think of someone whose kindness helped you. What would you like to thank your Father in heaven for when you remember them?

A prayer for our family. Father, thank you for showing us your goodness through Jesus. Help us notice who needs a hand and be glad to give it. Amen.
